

## Club Rules

All members are required to participate in a minimum of 4 events (including meetings) per annum.

During any club sanctioned event, there shall be no alcoholic beverages consumed unless specific permission is obtained prior from the Club executive.

There shall be no firearms or other offensive weapons carried during any Club event unless prior permission is obtained from both the club executive and the property owners on which the event will take place.

### **Each vehicle must carry the following on all outings:**

- Approved towing strop/rope (in good condition)
- Jack
- Spade
- Shovel
- First Aid Kit
- Fire Extinguisher (*min 2.0kg – forest runs, min 1.5kg – all other runs*)

A 4 point roll-bar as approved by the club scrutineer shall be compulsory in all open top or soft top vehicles.

There shall be approved tow hooks (or towing points) fitted to the front and rear of each vehicle. Such hooks and points are to be fitted with high tensile bolts and be fitted to the approval of the club scrutineer.
